CUSTOM IMPRINT RINGBINDERS
FOR SIDE-OPENING & TOP-OPENING RINGBINDERS
SEND THIS PAGE WITH ORDER FORM

Step 1.

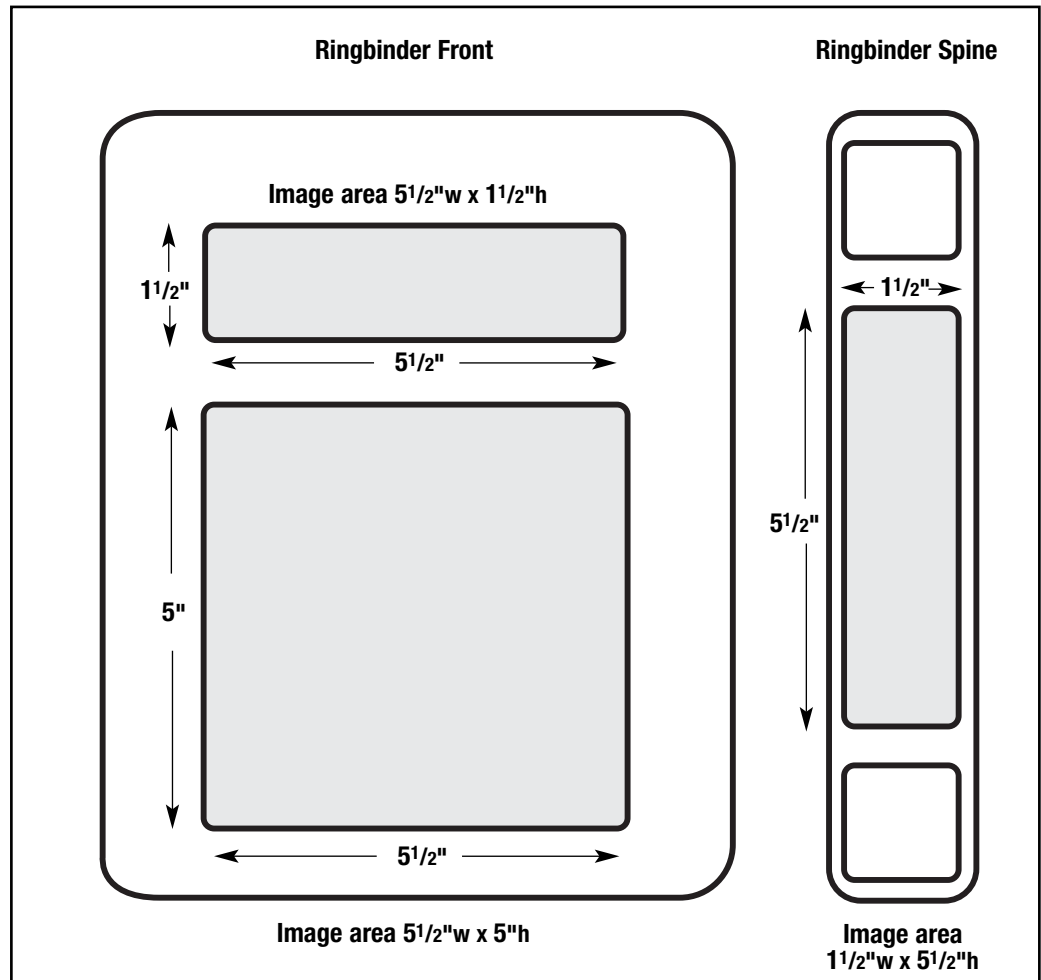

Indicate your logo or facility name in desired location. Logos and/or text can ONLY be imprinted in the shaded areas and must comply with the image area requirements shown at right. Image areas are the same for both side and top-opening binder styles. For example:

Step 2.

Select your desired hot-foil stamped imprint color:

- ☐ Red
- ☐ Blue
- ☐ Emerald Green
- ☐ Metallic Gold foil
- ☐ Metallic Silver foil
- ☐ Yellow
- ☐ Teal
- ☐ Tan
- ☐ White
- ☐ Burgundy
- ☐ Black

Step 3.

Complete the bottom portion of this form and send it with your **camera-ready/electronic artwork*** to FIRST Healthcare Products at the address printed in the top left corner of this page.

Some things you should know...

- You must provide FIRST Healthcare Products with either 1) camera-ready artwork of your LOGO, or 2) an equivalent electronic file of your LOGO in a TIFF, EPS, Illustrator or Quark format (IBM or MAC is acceptable) via regular mail or e-mail at info@firstproducts.com.*
- If you cannot provide camera-ready artwork or an electronic file of your LOGO FIRST Healthcare Products reserves the right to charge an additional flat fee of \$130.00 to create the artwork on your behalf.
- If you are imprinting your ringbinders with TEXT ONLY simply photo copy this page, write in your desired text in the shaded areas desired and fax the page back to us...we'll do the rest at no additional charge.
- There is a one-time \$125.00 set-up fee for each die of a different color and/or size. Ringbinder spine and front cover top image areas are the same size and can be imprinted from the same die if text is identical.
- Each of the three shaded image areas indicated above will be counted as one die imprint. If identical logo/text appears on both the ringbinder spine and front cover top image area this would be considered two imprints.
- **No minimum order required.** Each imprint (die impression) cost varies depending on the quantity ordered.

Stat-Flag™ Alerts with MICROBAN®

STAT-FLAG™ ALERT SYSTEM

QUICKLY FLAG CHART STATUS. TABS LOCK INTO FLAGGED UPRIGHT POSITION.

THE STAT-FLAG™ ALERT SYSTEM

- Quickly Flag Chart Status
- Communicate Chart Needs Attention

The Stat Flag™ Alert System requires the use of one POLY Stat-Flag™ Divider Page and 5 Stat-Flag™ Alerts per patient/resident chart. The semi-circular die-cuts on the Divider Page lock each Alert into a flagged, upright position for quick and easy visibility by medical staff. The Stat-Flag™ Alert System is available for side and top-opening ringbinder charts as well as clipboard charts.

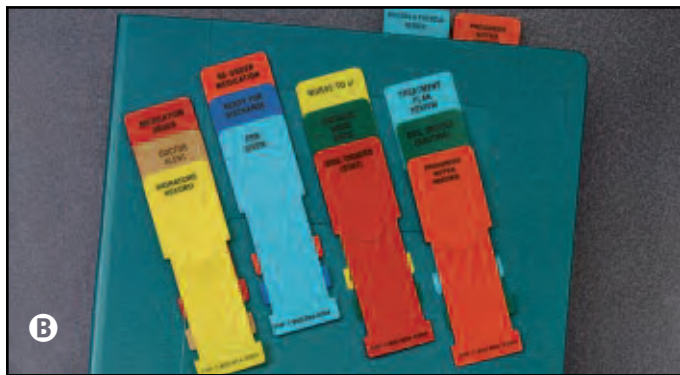

SYSTEM REQUIREMENTS:

A Stat-Flag™ Divider Page

Each Divider Page is die-cut to hold up to 5 Stat-Flag™ Alerts and is most commonly used as the first position in your divider set.

- Constructed of easy-to-clean, durable POLY material that resists tearing.
- Available in White only.
- Pre-punched for 2, 3 or 5-ring charts
- May be tabbed in any position (minimum order may apply)
- Choose from clipboard, side and top-opening ringbinder styles.

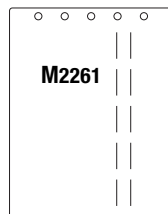

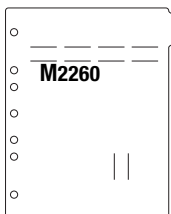

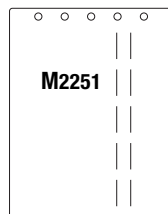

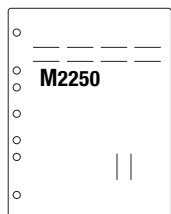

B Stat-Flag™ Alerts

Brightly colored POLY Alerts have titles permanently heat-stamped in Black on both sides. Alert staff by title and/or flag color.

- Titles won't fade or wear off.
- Brightly colored Alerts are highly visible.
- Constructed of easy-to-clean, durable POLY material that resists tearing.
- Available in 19 bright colors, see page 30.
- Choose blank, standard titles or custom print your own titles.
