

Healthcare Options

LEGACY
FURNITURE GROUP, INC.

Miller

THE MILLER COLLECTION - Legacy's best selling series offers a wide variety of durable furnishings, installed in healthcare facilities coast-to-coast.

Miller ER

THE MILLER ER COLLECTION - Legacy's intensive-use collection, the counterpart for the Miller wood series, offering optional wall saver legs on metal frames.

Wright

THE WRIGHT COLLECTION - Legacy's mission-style series is solid in appearance and construction, with matching recliners and gliders, perfect for lounge and waiting areas.

Gateway

THE GATEWAY COLLECTION - Legacy's traditional series, designed for healthcare durability, but often utilized in many different settings, such as churches, senior living and dining facilities.

Wave

THE WAVE COLLECTION -
Legacy's graceful addition to any public space, offering a unique horizontal clean-out. Designed for both healthcare as well as other public settings.

Passport

THE PASSPORT COLLECTION - Contemporary design without the need for a center leg, Passport is a modern interpretation on healthcare styling.

THE CELEBRATE COLLECTION - Classic contemporary styling gives understated sophistication to any seating area whether waiting room or lounge.

Celebrate

California

THE CALIFORNIA COLLECTION - Casual and comfortable, the California collection features a choice of four arm styles for customizing the look of any project. Waiting area, lounge, public seating and tables complete any area.

California ER

THE CALIFORNIA ER COLLECTION - The metal version of California, California ER has contemporary styling with light, metal lines that do not overpower the decor of a room.

Unity ■

THE UNITY COLLECTION -
Transitional collection with a choice of wood or metal base comes with a J-Bar back that gives Unity the comforting feel of motion.

Transformer

THE TRANSFORMER COLLECTION -

Sturdy contemporary styling featuring interchangeable seats, backs, leg fronts, arms and side rails on a solid extruded aluminum wall saver frame. Also available with wood frame.

Discovery

THE FUTURE OF HEALTHCARE SPACE

THE DISCOVERY COLLECTION - Sturdy, contemporary styling available with platform seating in Discovery and without the platform in DiscoveryNP. Built to 1,000 lb. weight capacity and completely field renewable, Discovery looks as good as it performs.

DiscoveryNP

THE FUTURE OF HEALTHCARE SPACE

HEAL:x

THE HEAL:x COLLECTION - Durable metal collection with choice of two color backs, four arm cap options and four metal finishes.
